Rev up your engines for our classic car show!

Want to show off your classic car? We'd love to have you join Heartspring's first car show! Awards will be given for different makes and models as well as the people's choice award.

CAREfest is a family friendly environment. We would love for children to be able to take photos with your car and get in and touch them if you are comfortable with that.

Spots are limited, so sign up today!

BBQ Dinner

Your car show registration includes a ticket to our BBQ dinner at 5:30 p.m. on Saturday, August 28 in the Conference Center auditorium. On the menu: pulled pork, hot link, ammo beans, mac n cheese, and slaw.

Bring Your Crew!

Friends and family members are welcome to attend the car show with a purchase of a \$10 general admission wristband.
