Walk and Roll with Us at CAREfest!

Heartspring's **Autism CARE Walk** and **PedalFest** have been staple events in the Wichita community for years. With the combination of these two events — and the addition of new, exciting activities — families can participate in community favorites while making new memories!

Through the generosity of our community partners and event supporters, Heartspring's events have been a tremendous success and have provided services and financial assistance for children and families. Our mission is more important than ever, and we want **YOU** to be a part of giving back to Heartspring.
